# WELCOME TO OUR FUNERAL STATIONERY RANGE

## **Our Funeral Stationery Range**

Personalised funeral stationery is a wonderful way of providing a lasting tribute to the life of a much loved relative or friend.

Our professionally designed range of Orders of Service can be designed to suit your needs, including personal photographs, poems and your choice of hymns and readings.

## **Unique Designs**

All the designs within this brochure can be personalised to include colour or black and white photographs, and in many cases we can provide alternative choices for backgrounds, borders and flowers.

## **Photo Retouching**

If necessary, our designers can undertake repairs to photographs to remove backgrounds, creases, tears or marks.

**Arthur Jary & Sons**

All names, dates and images used in this brochure are fictitious and have been used for display purposes only. Any resemblance to real people (either alive or deceased) is entirely coincidental.
